SUBJECT: WORKPLACE SAFETY POLICY

- 1.0 The management of Santa Cruz Consolidated Emergency Communications Center recognizes that loss control is an essential ingredient in our business for humanitarian, economic and legal reasons.
- 2.0 Management shall dedicate itself to providing the active planning, leadership, and support necessary to develop and maintain a successful Loss Control, Injury and Illness Prevention Program with these objectives:
 - 2.1 Provide a safe and healthful working environment for all employees.
 - 2.2 Minimize the risk of human and economic losses resulting from personal injury and property damage.
 - 2.3 Promote the security, protection and well-being of the personnel, property and vehicles of Santa Cruz Consolidated Emergency Communication Center.
 - 2.4 Comply with all existing safety and health laws that apply to the workplace.
- 3.0 The success of the Loss Control, Injury and Illness Prevention Program requires the full, earnest cooperation of each employee. Loss Control, Injury and Illness Prevention must be considered a vital part of every job or task in our operations.
