	Amethyst Uchida, General Manager

When NetCom is notified of a “hard road closure” (emergency vehicles cannot pass) dispatchers will do the following:

1. Create a LINFO CAD incident as notification to patrol units, including the following information:
 - Location of the closure
 - Date and time of the closure
 - Estimated time of road to open.
 - Reporting party contact information
2. Notify the affected fire and ambulance jurisdictions
3. Notify other communications center per Policy 5630
